**Date of Initial Registration:** \_\_\_\_\_

**1. Evaluation of Written Report (*circle one*):**

**Excellent    Very Good    Good    Satisfactory    Unacceptable**

This report must not exceed 4 sides of double spaced typing. Each year this report should contain: (a) a brief introduction; (b) a summary of the progress made during the year, and (c) an outline of plans for the following year. The written report must be distributed to the members of the Supervisory Committee at least 1 week before the oral presentation.

**2. Evaluation of Oral Report (*circle one*):**

**Excellent    Very Good    Good    Satisfactory    Unacceptable**

The oral presentation should include essentially the same material as the written report. The presentation should not exceed 20 minutes.

**3. Evaluation of Research Progress (*circle one*):**

**Excellent    Very Good    Good    Satisfactory    Unacceptable**

Is the research progress appropriate for the stage of career of the student? Evidence of research progress includes knowledge about subject area and related literature, achievement of project milestones, conference presentations and journal publications, etc.

**4. Overall Rating (*circle one*):**

**Pass            Fail**

**Incomplete** (*specify any conditions student must satisfy and date by which these must be fulfilled*):

**5. Comments for Candidate** (*Committee members should briefly summarize the candidate's performance and progress since last year and, if necessary, indicate areas that need improvement. Consider the following questions: Is the thesis topic viable and relevant? Has sufficient progress been made since the previous research evaluation? Is the research plan for the coming year realistic? Is the research project sufficiently advanced such that the candidate should begin writing the thesis/dissertation?*):
